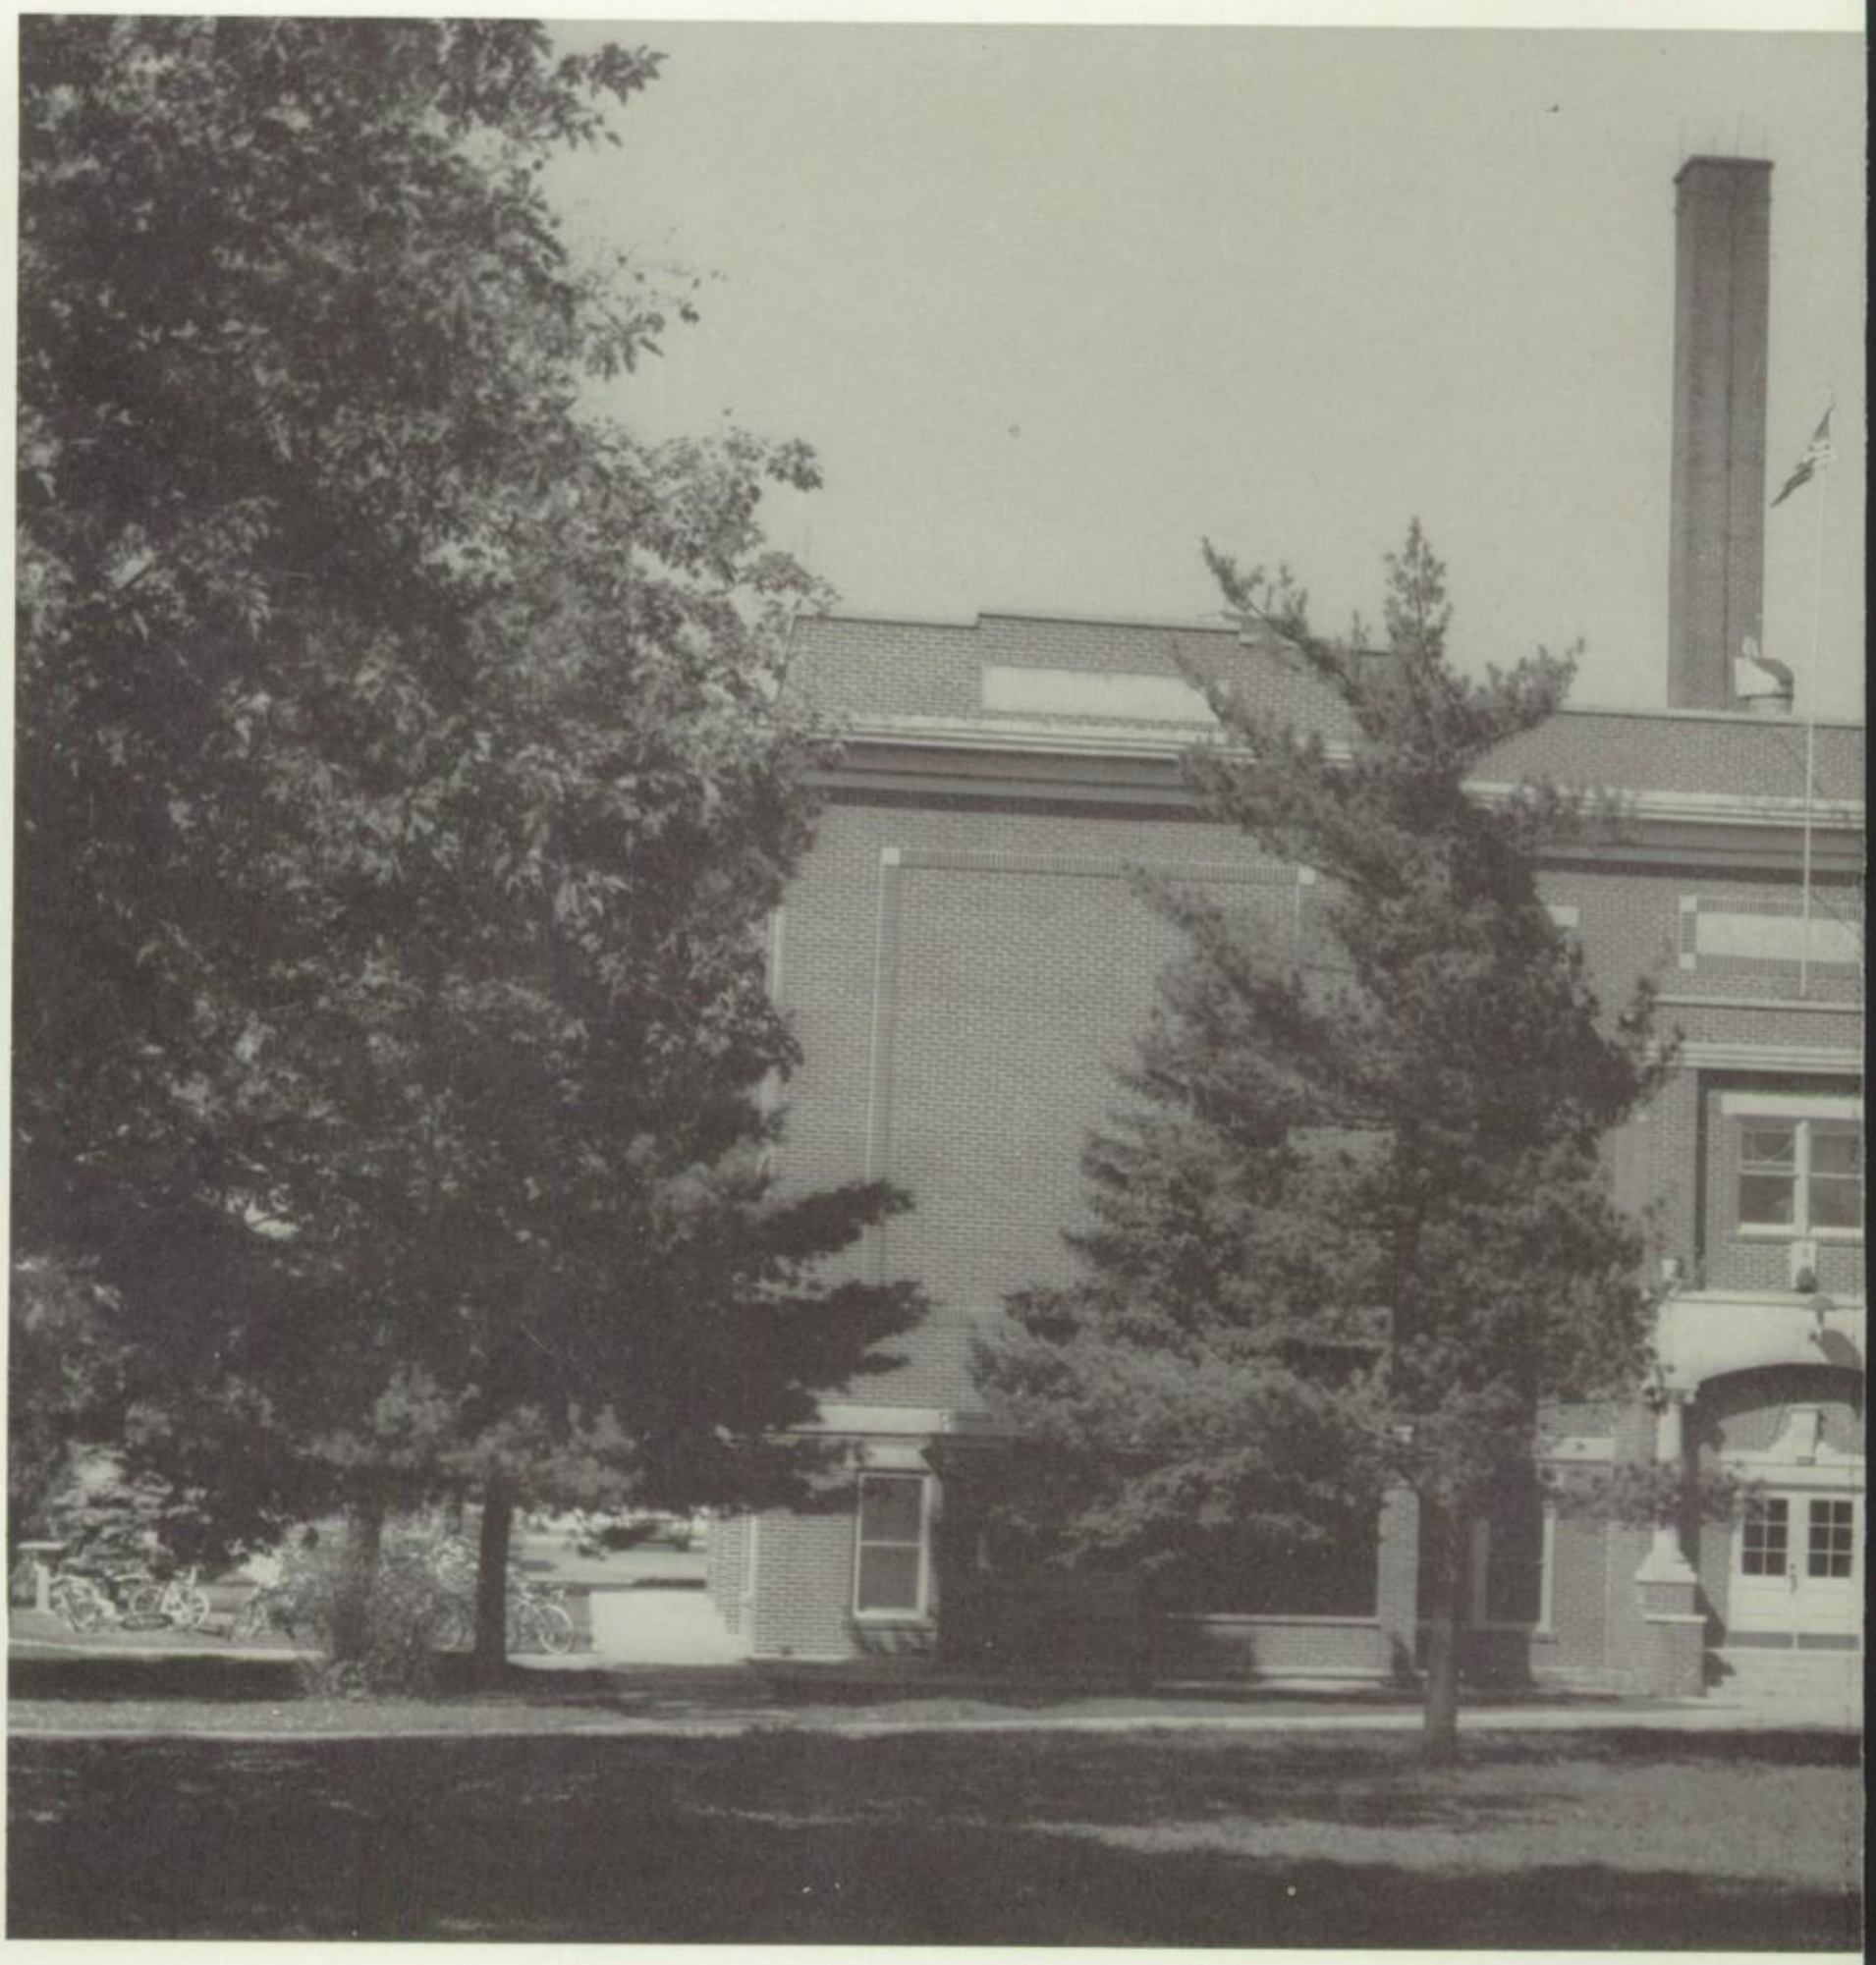
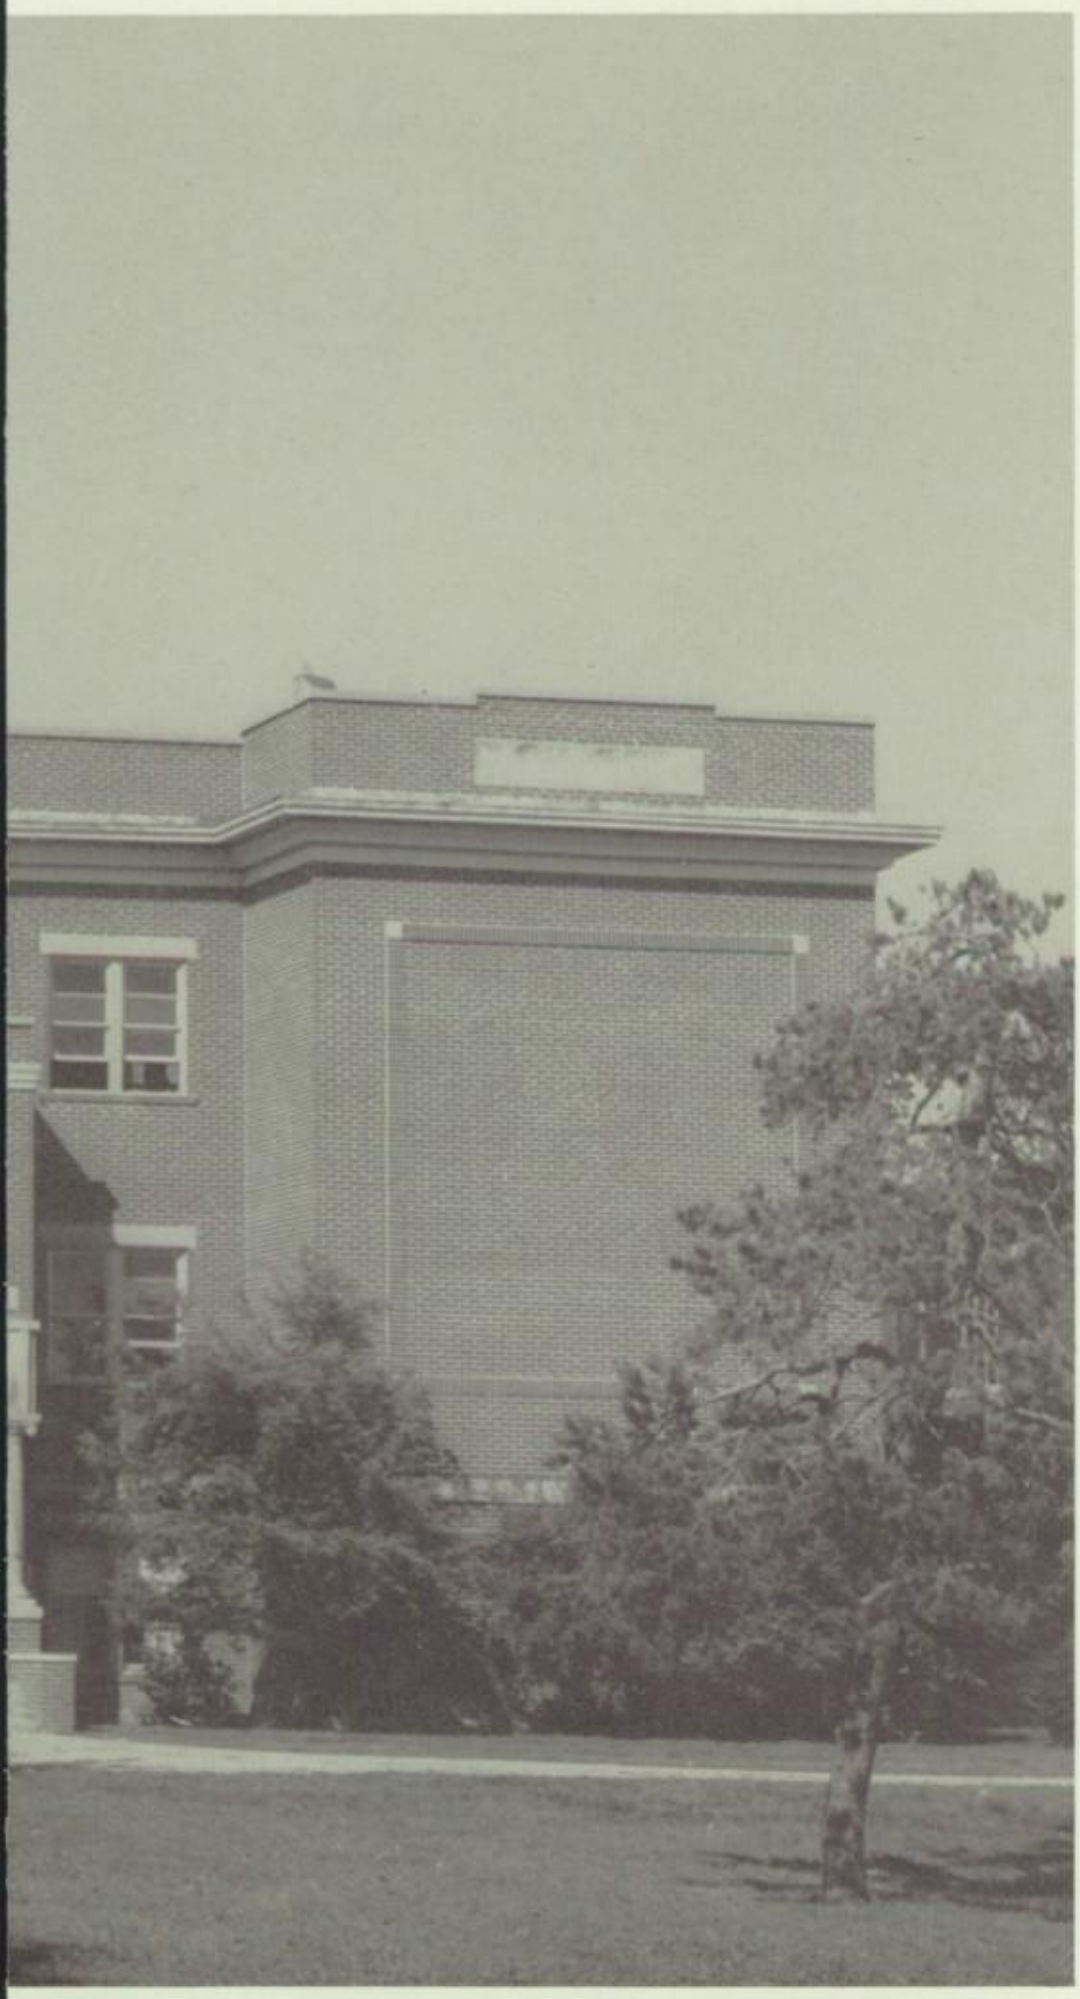
THIS IS OUR WORLD . . .



HERE IS

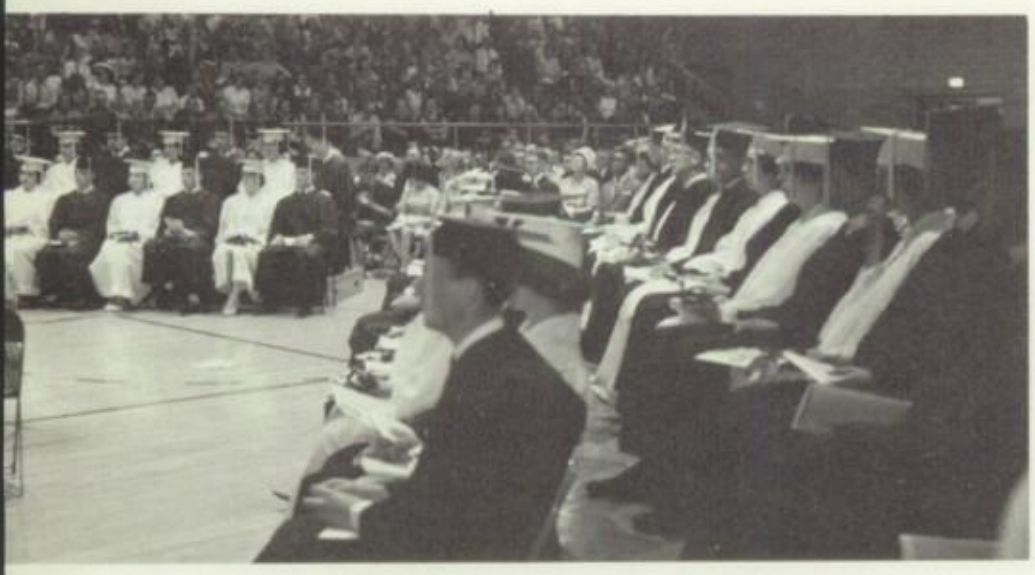
. . . AT ALBION HIGH!



This TORCH

presents our school life in this year of 1964-1965. We are proud to be a part of it. Each little event added to the big moments makes our school life an industrious and happy one. Having a part in the many activities, attending the various other affairs, watching the Trojans fight in the different sports, seeing the Honor Roll grow, being a POSITIVE help to both teachers and students are just a few of the memories we shall wish to recall as Time rolls on.

OUR ALMA MATER



Commencement: 1964

Larry Owen Receives His Diploma.

THE DEPARTURE

The mountains through the beshadowed
quivering
Of the propellers, steady, melancholy,
relaxed,
disdained, a world lost to our farewells.
The ascending of the smoke from valleys,
the silvery
waters, the wide-lipped green fields,
all is
relaxed, melancholy, steady,
beaming with dawn calmness, the
world
inseparable from which we fly, flickers
sparks,
motes of energy; afraid, willful,
uttering stringent
interior cries, silent,
waving and smiling to the
shrouded
guardians of our losses--Berger

VALENTINE'S DAY

Two Saints died at the same time
People mourned and church bells chimed.
Now, in these times we celebrate
By sending a card to a classmate.
It may mean nothing or maybe it will.
It may be simple or covered with frill.
Valentines are sweet to remember
In May, October, or December.
Fancy, frivolous, funny, or gay
Are the cards sent out on this day.
So don't forget if you like some one
To get a card out before the day is done.

SECTIONAL PAIRINGS

The drawing for Sectional opponents will be held Feb. 17. Albion drew Auburn as its opponent last year. The Trojans are usually "fired up" around Sectional time. Participants in the Kendallville Sectional are: all Noble County Schools plus Churubusco, Auburn, Waterloo, East Side and Garrett. Best of luck to our Trojans in the Sectional. Let's boost them all the way.

The evening comes. Quiet descends upon the School. The only sound is that of the echoing footsteps of a lonely student leaving the school after a late practice session. The custodians prepare for a new day. The school never sleeps. It may take a rest, but it never sleeps.

Now we Seniors shall separate and go our various ways. With a firm and dedicated purpose, we are ready to face any challenge . . .

. . . And we are ready to say " . . . the torch has been passed to a new generations of Americans," and we are glad to be a definite part of that generation!
